# ANNOTATIONS

Annotation ID	Annotation Type	Severity	Image Reference
491	Crack	Medium 	27256

A close-up photograph of a dark grey concrete wall. A prominent vertical crack runs down the center of the frame. To the left of the crack, there is a lighter-colored rectangular patch or repair. The surface shows signs of weathering and discoloration.

## Findings

Elit eget gravida cum sociis natoque. Tellus integer feugiat scelerisque varius morbi enim nunc faucibus a. Nisi vitae suscipit tellus mauris a diam. Amet luctus venenatis lectus magna fringilla.

An aerial photograph of a massive concrete dam. The dam has several thick, curved concrete walls supporting a flat top. In the background, there is a body of water and some industrial buildings.

## Location

Tellus integer

Annotation ID	Annotation Type	Severity	Image Reference
492	Crack	High 	27256

A close-up photograph of a concrete wall. It features a network of cracks, including horizontal ones across the surface and a prominent vertical crack running down its center. The texture of the concrete is visible, showing signs of age and wear.

## Findings

Elit eget gravida cum sociis natoque. Tellus integer feugiat scelerisque varius morbi enim nunc faucibus a. Nisi vitae suscipit tellus mauris a diam. Amet luctus venenatis lectus magna fringilla.

An aerial photograph of a massive concrete dam, similar to the one in the previous section. The dam has several thick, curved concrete walls supporting a flat top. In the background, there is a body of water and some industrial buildings.
